### UNTITLED MOBILE GAME

Feb. 2017 - Present

#### Lead Designer/Producer

- Leading design and production on a team of nine developers aiming to release a mobile title in Fall 2018.
- Manage the project's production schedule, ensure efficient communication between all development disciplines, design and implement in-game content.

### *TWO BUTTON ARMY (GAME)*

April 2016 - Aug. 2016

#### Project Leader

- Led a team of six developers on a rapid, 15 week development cycle which culminated in our acceptance and exhibition at Radius, an independent game festival in Vienna, Austria.
- Oversaw the project's creative vision and production pipeline, ensuring my team hit all milestones efficiently.

### SIGGRAPH CONFERENCE

Aug. 2015 (1 Week)

#### Student Volunteer

- Served the conference as well as it's contributors/attendees as a student volunteer at SIGGRAPH 2015 in Los Angeles.
- SIGGRAPH is a computer graphics conference held by the ACM SIGGRAPH organization.

### STUDENT GAME PROJECT

Spring 2015 (10 Weeks)

#### Lead Designer

- Within a team of five developers, I led the creation of the game's mechanics and worked closely with the team's producer to manage the development pipeline.

### EXTREME SEAL EXPERIENCE

July 2012 (1 Week)

- Attended a one week training course led by active duty and retired Navy SEALs.
- Came together with my class to complete training evolutions such as Hell Night (24 hours), drown-proofing, weapons training, CQC, and rappelling.

### U.S. NAVAL SEA CADET CORPS

2009 - 2011

#### Petty Officer Third Class

- Fire-team leader in charge of four cadets, held the post of Assistant to the Command.
- Attended trainings across the country including Recruit Training, Petty Officer Leadership Academy, Seabee Construction Battalion, and Small Arms.
